

Get the Perfect Smile with botonics Teeth Whitening

Dazzle everyone with your fabulous smile this party season with teeth whitening from botonics . . .

RED WINE, tea, coffee, smoking and genetics are just a few of the things that can cause teeth to discolour. botonics, the UK's favourite network of MediSpa treatments has just added a choice of power teeth whitening services to their treatment portfolio. Using the most advanced technology on the market, the professional treatment is fast and pain free giving you pure, gleaming white teeth in an hour!

The treatment can be topped up at home with botonics' Get2Smile DIY whitening kit, which is easy to use and gives professional results for a bright smile! Now that's something to smile about!
